My Little Bible Study

Printing Instructions

I recommend using "Cover Stock" or lightweight cardstock paper {67 lb}, especially since this needs to be printed double-sided.

If you have a Double-Sided Printer: 1. Select: Print Range/From > pages **2** to **5** 2. Select: Layout > Two-Sided > "Short-Edge Binding" {This will ensure all the pages are right side up!} 3. Print!

Otherwise: Print pages 2 & 4, then print pages 3 & 5 on reverse side -OR- print each page one at a time (this booklet will not "make sense" unless it is printed on both sides and folded up.)

REVIEW & DISCUSS
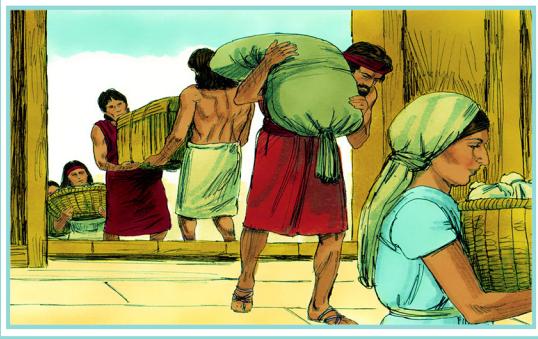

Common Language

Now the whole world had one language and a common speech. As people moved eastward, they found a plain in Shinar and settled there.
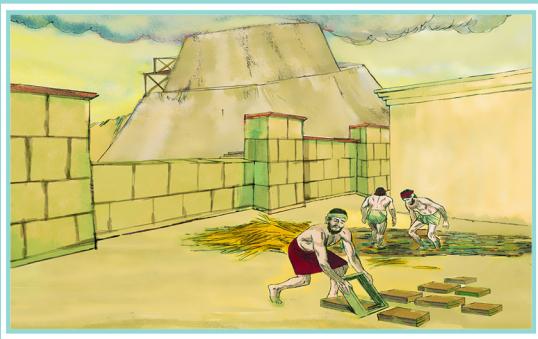

The Tower

They said to each other, "Come, let's make bricks and bake them thoroughly." They used brick instead of stone, and tar for mortar.

Then they said, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves; otherwise we will be scattered over the face of the whole earth."

Why were people building a tower?

How did God stop them from building the tower?

Why is it called Babel?

PRAYERS

Is there an application for me?
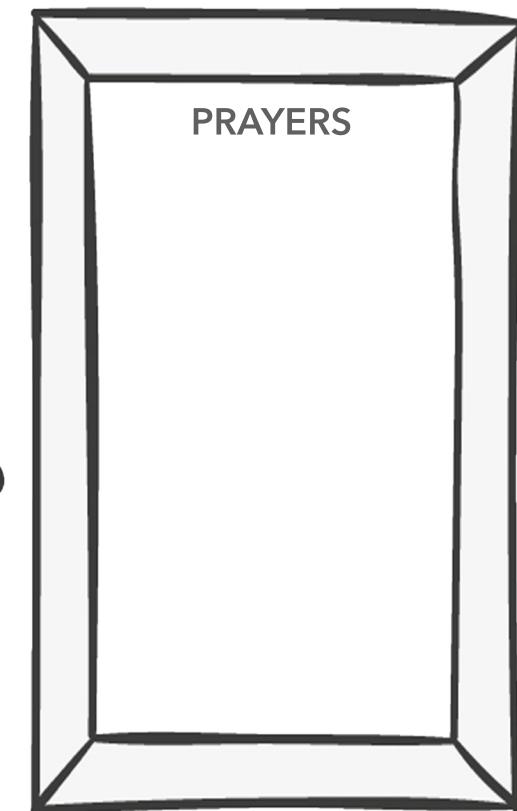

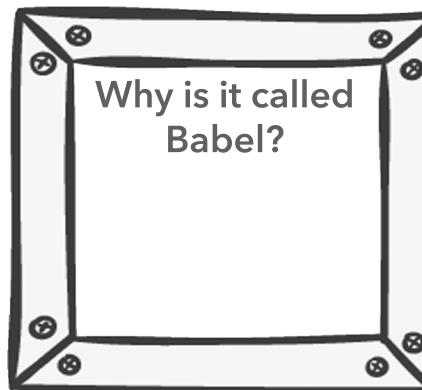

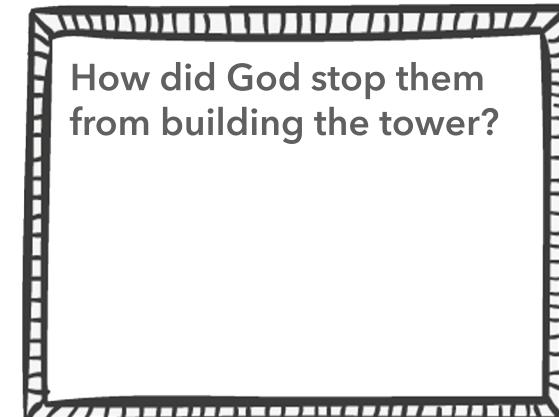

Genesis 11:1-4

MEMORY VERSE

"That is why it was called Babel - because there the Lord confused the language of the whole world."

Genesis 11:9

But the Lord came down to see the city and the tower the people were building. The Lord said, "If as one people speaking the same language they have begun to do this, then nothing they plan to do will be **impossible for them...**
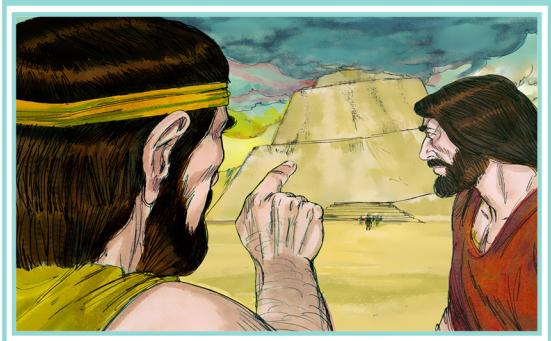

New Languages

...Come, let us go down and confuse their language so they will not understand each other." So the Lord scattered them from there over all the earth, and they stopped building the city.
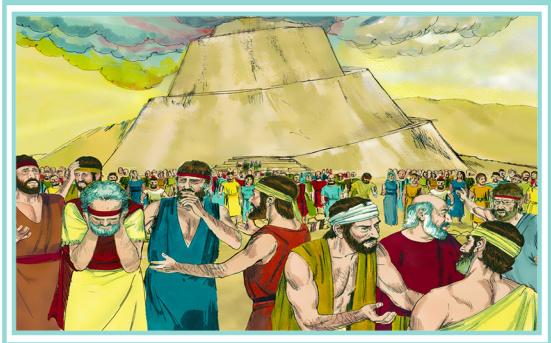

That is why it was called Babel – because there the Lord confused the language of the whole world. From there the Lord scattered them over the face of the whole earth.
